

Emergency Health Services of Alberta are placing 20 of the hospitals in strategic positions throughout the province. They are now located in Red Deer, Didsbury, Grande Prairie, and as of last week, Drayton Valley. , _____

would be set up in the Frank Maddock High School, utilizing class rooms for various areas. Thirty skilled persons can set the complete hospital up in four hours, or a total of 120 man hours.

The hospital, valued at approximately \$85,000, arrived here in two forty foot vans and a crew of about eight men worked for the better part of two days unloading and storing the 23 tons of equipment. All the equipment is crated in 594 boxes--all color coded to facilitate setting up when required.

The hospital is self-sustaining for seven days with a 23-day back-up supply stored in regional depots.

The hospital is complete in every respect. It has three operating rooms and ten wards. Beds in the wards are constructed of light weight tubular aluminum alloy with tough nylon covers.

A well equipped pharmacy supplies the necessary medication, dressings, intravenous solutions, anaesthetics and other store items, including a 100 blood donor kit, to obtain whole blood at the hospital.

The central supply room contains two sterilizers. These sterilizers will operate on propane, natural gas, mixed gas, steam, electricity or coal and wood. Here the trays for the operating room, the gowns and masks are sterilized and ward supplies are obtained.

The hospital has its own laboratory containing the basic equipment to perform laboratory tests necessary for the care of hospital patients. There is an X-ray area, containing the X-ray machine, equipment necessary for taking X-rays and a processing machine. Poloroid film is used for X-rays and only 10 seconds is required for processing the film. A generator is supplied to run the X-ray machine if no electricity is available.

The three operating rooms are complete with table, operating room light, anaesthetic machine, suction apparatus and instruments to perform major and minor surgery. A 10 KW generator supplies auxiliary power for all the operating rooms if no electricity is available.

Besides the basic areas contained in this Emergency Hospital, there is a 1,500 gallon water storage tank. A water pump gives pressure to three taps within the hospital.

Ten of these hospitals are being flown to Vietnam to replace hospitals in that country. A team of experts from Ottawa—

The first meeting of the Drayton Valley Home and School Association for the 1966-67 season was held at the Elementary School on Wednesday, September 28th.

Mr. Elliott, principal of the Elementary School and Mr. Murray, vice-principal of the Junior High School introduced the teachers on each staff. This was followed by the introduction of the parents present.

Annual reports were given by Rev. Cearfoss, the treasurer, and Bob Cowan, the president. Mr. Cowan stressed the fact that there is very little support given to the Home and School Association and strongly urged that more members are urgently needed if the association is to continue functioning.

A nominating committee consisting of Mrs. B. Mosdell, Mr. B. Cowan, Mrs. P. Innis, Mr. V. Jones, and Mrs. M. Schwab, was appointed to try to appoint persons who would serve as officers in the various positions for the 1966-67 term.

Following this a discussion was held with regard to whether the Home and School Association should continue to function or should it disband. By a very slim majority the members present voted to continue functioning.

The next Home and School meeting will be held on October 26th at which time it is hoped that a new slate of officers will be elected and a decision will be made as to whether the Home and School Association will continue to function. Until then, the 1965-66 executive will continue to serve in their respective positions. It is hoped that there will be a much better representation at the October meeting.

The recreation board plans to offer soon an adult education course for those wishing to obtain additional high school credits.

Anyone interested please call Peggy Tyler at 542-3838. Further announcements will be made once the needs are ascertained.

The October meeting of the Drayton Valley Local of the FUA has been postponed until November. The meeting is cancelled to allow farmers to take advantage of harvesting weather when available.

Maddock High School in the event of disaster, is worth approximately \$85,000 and filled two forty-foot vans.

Election by acclamation was the feature of nomination day, Wednesday, September 28th when Returning Officer, W. G. Johannesson declared all nominees elected to Town Council, the Roman Catholic School Board and the Drayton Valley Municipal Hospital Board.

Elected to Town Council were: Mrs. Mary Burrows and Alfred Chesterman, three year terms; and Robert Findley, two year term.

Trustees elected to the school board were Eugene C. Meraw and Louis C. Serenas. Donald G. McKenzie was elected to the Municipal Hospital Board.

The Drayton Valley Centennial Fund has now reached a total of \$28,500 toward the goal of \$34,000 to complete the Centennial Civic Centre project. A final drive for funds is now underway in an attempt to reach the fund total.

A second request is being made of oil companies, service companies and local business places. Personal donations, large or small, are also urgently required.

Construction of the arena and civic centre is reported to be progressing rapidly. The floor of the arena has been poured and finishing touches are now being made, while interior construction of the civic centre portion is well underway.

Total cost of the project is \$226,000 and is being financed as follows: Town of Drayton Valley, \$100,000 through a federal loan, plus supplying property and utilities Improvement District No. 77, 70, -000 through the municipality general fund; centennial

grants from federal and provincial governments, \$22,000; approximately 15 percent, or \$34,000 being raised locally.

The fund is now only \$5,500 short of the goal and the Centennial Committee solicits the support of everyone in reaching the total.

Rev. E. Martin and Mrs. Martin arrived in Drayton Valley last week to assume his duties as minister of the United Church here.

Rev. Martin is a former RCAF Chaplain and retired recently after 16 years in the service.

They moved here from the Canadian Forces Base at Trenton, Ontario where Mr. Martin was stationed at the time of his retirement.

A native Newfoundlander, Mr. Martin is no stranger to the West, having spent several years at the RCAF station at Namao.

Search for Talent Starts 20th Season

The Associated Canadian Travellers of Edmonton and Radio Station CFRN are this year celebrating twenty years of joint effort in presenting Search for Talent to residents of north-central Alberta.

Ray Engel, Director of Search for Talent for the A.C.T., advised that plans for the twentieth season are well under way and that several special features are being planned. He pointed out that the twentieth season coincides with Canada's Centennial celebrations, and to combine the two occasions, a special award of a trip for two to Expo '67, will climax the series of weekly shows in April, 1967.

The idea of Search for Talent originated with the late W. Fay Johnston, of the A.C.T. and A.J. Hopps, Manager of CFRN-Radio. Purpose of the shows was to raise funds for the Northern Alberta Crippled Children's Fund and, at the same time, to discover and encourage local talent.

Mr. Engel stated that over the years more than 6,000 talented young citizens have been given an opportunity to perform on stage. Many of them have gone on to considerable success in the musical and other cultural fields, at the regional, national and international levels.

On the public service side, Mr. Engel states that the A.C.T. have provided financial assistance for more than 1,700 needy crippled children and have spent more than half a million dollars for this purpose. At the beginning, Search for Talent was the only source of revenue, but over the years, Carspiels, Bingos, memorial donations, bequests and numerous types of voluntary donations have replenished the fund. In recent years, Mr. Engel

stated that Crippled Children's Fund expanded its services to include the purchase of vehicles for transporting the handicapped.

The construction of the Crippled Children's Camp at Lake Isle is A.C.T.'s latest project at a cost of \$130,000.00.

Service work continues in many areas of medical care, hospitalization and rehabilitation, at all times providing services not covered by government or other community agencies, Mr. Engel stated.

Shows are being booked now and locations and dates will be announced shortly.

will train personnel in the use of the equipment to be used to care for the civilians of Vietnam.

At the present time, 7,000 pounds of Emergency Hospital equipment, including X-ray machine, laboratory, sterilizers, pharmacy, central supply room and ward stock are being used in Yellowknife. On May 22nd the Yellowknife Hospital burned to the ground and Emergency Health Services, Alberta, under direction of the Federal Government flew the equipment in an R.C.A.F. Hercules to the stricken town.

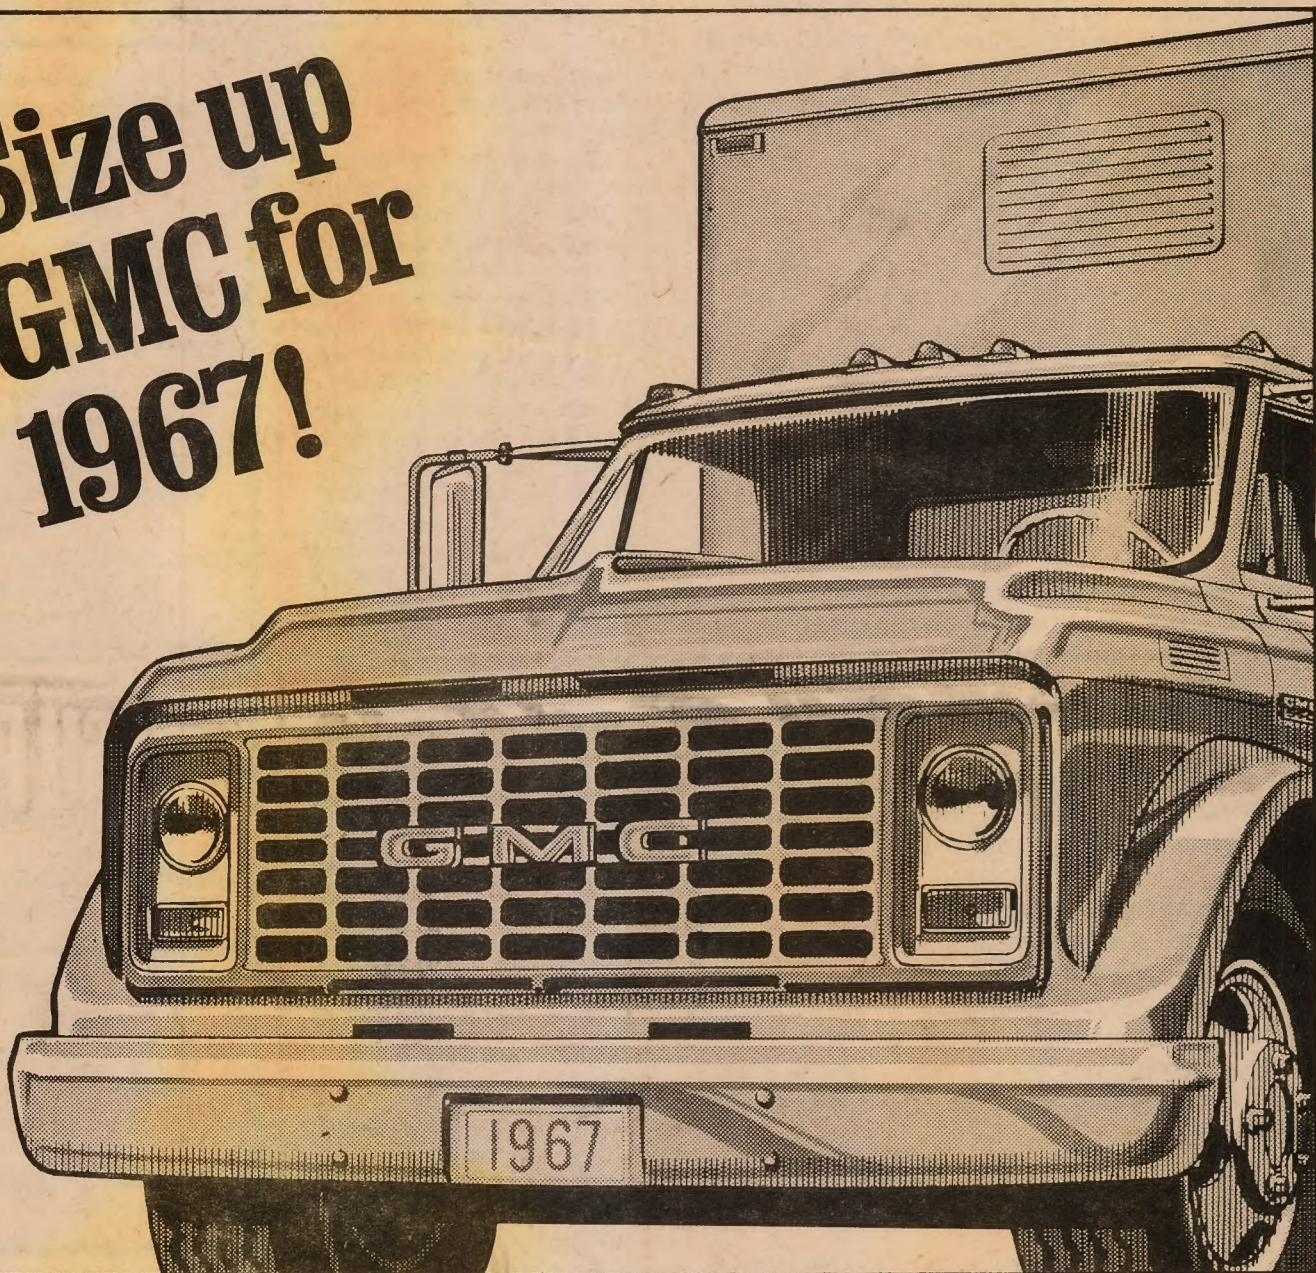

Under the guidance of a member of Emergency Health

Services the equipment was set up and within three hours of arrival of the equipment, the hospital became operational.

In the event of its use, a basic team of Drayton Valley residents would begin setting up the hospital in the high school, and would be supported by the arrival of personnel from Edmonton hospitals. Mr. Alf Armstrong, of Pembina Drug Ltd. is the local Health Supply Officer and co-ordinator in the event of the hospital's use.

The hospital delivered here last week was placed in storage under the direction of Mr. A.W. Mann, pharmacist, and Mr. N.W. Fance, stores officer, both with Emergency Health Services.

MENTAL HEALTH WORKSHOP

Mental health voluntary workers from many parts of Alberta met with professional staff at Red Deer on September 24th for a 'board-committee workshop' to examine present programs of the Canadian Mental Health Association.

Present at the meeting from Drayton Valley were Mrs. Marion Palmer and Mrs. Barbara Turner.

Attention focused on the need for greater efforts directed toward prevention of mental illnesses. G.S. Brant, provincial president, pointed out that mental illness costs Canada at least \$600,000,000 a year, a third of this being for official treatment services alone.

But Canada spends less than a million on preventive research and education, Mr. Brant said. He stressed that the medical and social sciences now have enough knowledge to prevent much mental illness, but it is not yet being employed to the full. He said, "CMHA should act as a catalyst to coordinate this knowledge and the activities of the many bodies now working independently."

Cost of Fires Going Up

Fire devastation in Canada in the past 10 years has claimed 5,860 lives, injured and scarred thousands of people, and has destroyed an estimated \$1,360,000,000 worth of property.

In 1965 the estimated toll of 68,580 fires was 588 deaths and property waste of \$144,785,571. While Canada's overall rates of fire destruction are still among the highest of any nation in the world one redeeming feature of the 1965 record is that there were 6,726 fewer fires. The total of fires reported in 1964 was 75,306.

Despite population growth, there was a heartening, if slight improvement in fire deaths in 1965. In 1964 deaths numbered 603 compared with the preliminary estimate of 588 last year. As usual, children continue to figure largely amongst the victims. They numbered 222, men 229, women 137 in 1965.

Again, as they do every year, multiple death fires--sometimes wiping out entire families--swell the black record of fire tragedy.

Excluding forest and Government property fires, the fire waste per capita population is reckoned at \$7.40 compared with \$7.71 in 1964.

Each year industry fire damage accounts for nearly half the total destruction. The 10-year total of loss to industry is conservatively reckoned at \$600,000,000. Only the direct costs enter into this assessment.

Taking into account the indirect economic factors--including industrial production and job disruption--the total burden of fire in a year is at least \$750,000,000, fire authorities say. This works out to a cost of \$38.99 for every man, woman and child in a population now approaching 20,000,000.

Nobody, least of all the taxpayer, escapes the responsibility of fire--on the job and in the home.

Fire Prevention Week--October 9th to 15th--has been proclaimed to bring to the attention of Canadians this terrible cost in lives and property caused by fires through carelessness. Everyone can play a role in helping to reduce the unfortunate yearly toll by becoming fire conscious.

Study fire safety during Fire Prevention Week and then make a point of practicing it throughout the year. A few minutes of thoughtfulness could spare you the heartache and property loss caused by fire. It could also spare your life.

Mrs. Bea Cropley,
Correspondent

Marvin Johnston and some friends went up river by motor boat two weeks ago on a hunting trip. He arrived home with a lovely six-point elk.

Another successful hunting party was composed of Gene Schwartz, Jim and Gilbert Martin, Bob Shaw and Mr. Whitelock. They brought in three elk. Jim belongs to a hunting club in Cowley and is quite excited over the trophy he will be able to put on display.

Mr. and Mrs. Jim Martin and boys from Cowley visited relatives in the district on the weekend.

Mr. and Mrs. Frank MacDonald and family of Edmonton were recent visitors at the Martin and Campbell homes. Mr. MacDonald is Mrs. Martin's nephew.

On Saturday, September 17 the Grade XII graduation exercises were held in Breton. The banquet was held in the hall followed by a program in the High School auditorium. The two graduates from Berrymoor who were able to attend were Ethel Wideman and Claudette Barrett. Claudette was class historian. Guests from this district were Mr. and Mrs. Jack Barrett and Bryan, Mrs. Hattie Barrett, Dayna Cropley, Mr. and Mrs. Allan Wideman and Edythe, and Mr. and Mrs. Allan Martin. After the exercises were over the gang gathered at the home of the Widemans for a hymn-sing and lunch.

Congratulations to the other graduates from here who were not able to attend. They are Max Schwartz and Darlyne Gavigan.

The first P.T.A. meeting of the season was held in the Lindale High School on Monday the 19th. First on the agenda was the presentation of the P.T.A. awards to the students with the highest standings in Grades VIII and IX. Presentations were made by Mr. Wake, principal of the school. Iris Thyer placed first in Grade IX and received a forty dollar cheque; Lynn Horsman placed second and received ten dollars. In Grade VIII Donna Haight and Kathy Hankins tied for top place and the money was divided between them. Congratulations girls. Keep up the good work.

New P.T.A. officers were elected as follows: president, Mr. Wake; vice-president, Mrs. B. Cropley; and secretary treasurer, Mrs. Rose Young.

Mr. and Mrs. George Martin with their grandsons Bruce and Gordon Martin spent Saturday evening visiting their daughter and family, Mr. and Mrs. Jim Shaw of Breton.

Mr. and Mrs. Ira Haight motored to Slave Lake last weekend to visit their daughter and her hubby, Darlyne and Terry Gavigan.

Get well wishes go out to Mrs. Ruth Berry who is a patient in the Drayton Valley Hospital.

We would like to extend a warm welcome to our two new teachers, Miss Bray and Mrs. Hicks. Mrs. Hicks tells us she is a great-grandmother. In fact she has great-grandchildren attending school al-

Lions Name Judges For Essay Contest

Adam Eckert, president of the Drayton Valley Lions Club has announced the judges for local entries in Lions International's Peace Essay Contest. They are Howard W. Pickup Mayor of Drayton Valley, Rev. G.E. Ingram, Rector of All Saints Anglican Church and Richard Woods, Principal of Frank Maddock High School. They will determine the club's entry in the International Contest.

The contest is open to all young people in Drayton Valley and district who are 14 years of age and under 22 as of January 15, 1967. The contest was initiated to generate an awareness and understanding of peace among tomorrow's leaders.

The contest offers a grand prize of \$25,000 in the form of an educational and/or career assistance grant to the world winner. A grand total of \$50,000 in awards will be made. In addition to the \$25,000 first prize, eight world division semi-finalist prizes of \$1,000 each will be given and these eight semi-finalists will also get travel expenses to Chicago, Illinois in July, 1967. At that time, the first prize winner will be chosen from the eight. Also, more than 20,000 local, district and multiple district awards will be made.

Drayton Valley's three judges will be selecting a local candidate to move up the ladder toward the grand prize.

Mr. Pickup who was born in Cardston and grew up in Southern Alberta, has been a Drayton Valley resident since 1954. Prior to moving here he served in the Canadian Army and practiced pharmacy in Calgary and Nordegg. He is a graduate of the University of Alberta.

Rev. Ingram was born and raised in Edmonton and attended the University of Saskatchewan. He received his

RIMBEY JUNIOR HIGH STUDENTS

represented by

BERNIE BARTKO and GREG TROITSKY

Alberta Junior Citizens of the Year.

The enterprising Rimbey Junior High School students spend many hours selling magazine subscriptions — but not for their own profit. They are earning money to help children in Korea, Italy and Zambia. For six years they have shown an exceptional sense of responsibility in supporting two foster children, Kim Jung Kun of South Korea and Ottavia Tollis of Italy. Also, for the past two years, they have provided the money for six Zambian children to continue their education. In the past year alone they have contributed nearly five hundred dollars to these needy children.

This unselfish giving of their time and money makes these boys and girls worthy winners of this year's Junior Citizen of the Year Group Award.

We congratulate the Rimbey Junior High School students and thank Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizen of the year program, sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award announcements. Our special thanks to Jack Parry, Editor of the Rimbey Record and to the group's nominator, Helen Cooke of Rimbey.

4-H Awards Presented

On Friday, September 30th following a potluck supper at the Elk's Hall, outstanding members of the Drayton Valley 4-H Beef Club were presented with awards.

Awards donated by local businesses were presented as follows: Choice calf, donated by Pembina Drug - Gail Meston; Showmanship donated by Mr. L. Sharkey - Patricia Grue; Judging, Corner Drug - Pat Hoge; Records, Royal Bank - Sandra Guze; Pen of three, Mr. A. Meiers - Terry Sharkey; Club Activities, Drayton Insur-

ance - Pat Eveleigh; and General Efficiency, Treasury Branch - Terry Sharkey.

The club was presented with a 4-H Pledge Banner from their leader and advisor, Mr. Otto Guze. Mr. Guze was later awarded a trophy from the club, expressing the member's gratitude for his time and valued assistance.

The club is indeed grateful to Mr. Nick Urchyshyn, Mr. Ted Tucker, Mr. Frank Hoge and Mr. L. Sharkey for their excellent counselling. With their guidance, 1966 has proved very successful. A special

thanks to the mothers who helped make the supper a success.

A reorganization meeting will be held Thursday, October 27th at 7:30 p.m. Those interested in participating in the club are sincerely welcome.

Curling To Start On October 28th

The Drayton Valley Curling Club has plans for another enjoyable year of curling for all those that are interested in the grand old game of curling, whether it be weekly, daily, yearly or whenever possible.

Curling will get underway this year with the opening mixed spiel from the 28th to the 30th of October, masquerading and novelties will be the theme tying in with the Halloween weekend. Entries will be limited to the first 32 rinks with silver dollars being given away for prizes in each event. Entries will be accepted by any of the present executive.

The caretaker from last year, Halvor Nordby has been hired for the 66-67 season and he promises to have things in top shape when the season opens up in late October.

Fees will remain the same as last year even though the railway workers, postal workers, seamen and all concerned have had a raise in the past year. Men's Fees are set at \$35 per year, Ladies at \$15 and the High School fees at \$5.00.

Men's league curling will go four nights a week with each rink being assured of two games per week. Ladies will curl one night during the week, as yet they have not selected the night they will go with. High School Curling will go again after school as

in previous years.

Mixed Curling will be set up under the direction of Bill Sware, and will have draws at 7:00 and 9:00 Sunday evening. Those interested should get their entries in to Bill Sware as soon as possible as the limit is 20 rinks.

Drayton Valley Curling Club will be hosting some 20 major events throughout the year, starting with the Open Mixed Spiel and carrying on with the Oilmen's, Men's Open, 16 Zone Consol Playoffs, Ladies Open, High School Open and many others which will be published throughout the year.

The executive for this year is as follows: President, Dr. H. Shimbashi; Vice-President, Bruce Cunningham; Treasurer, Lorne Nelson; Secretary, Ken Gillis; Board of Directors - John Wronko, Stan Metelski, Barrie Harrison, Bill Sware, Bert Telford, Ted Bouschard, Joe Balen and Kevin Goble.

If you plan to curl this year get in contact with any of the executive or drop in to the rink and sign in. The rink will be open daily from the 15th of October. All regular members will have the opportunity of viewing T.V. in color for the curling season.

In twenty years Canada has gained 2.5 million immigrants, but lost one million emigrants.

EVANSBURG NEWS

Mrs. M. Bruner, Correspondent

Well, a whole month of school has gone by and all the students should be accustomed to their teachers by now, or is it the other way around?

Football practise is in full swing with scheduled games being played among the teams in various schools. Evansburg seniors hosted Seba Beach and the game was a draw after some overtime play. When the Seniors went to Seba, they won their game by a margin of six points. Not so with the Juniors who hosted the Niton boys and were beaten with no score to look back on.

The volunteer firemen held their meeting on the 29th. They set the date for the annual Fireman's Ball at October 14th. Everyone is welcome and it is hoped many will attend to support the fire brigade. Tickets to the affair may be purchased from the fire chief.

Evening credit classes (University of Alberta) have started for the year and every Thursday night we see teachers arriving from East, West and North to study.

Quite a change has been made in the R.C.M.P. force stationed in the village. We will be seeing new faces soon as replacements come in and it seems more of the men will be transferred soon.

A new clerk will be seen also in the Provincial Liquor Store as Mr. Bauer has been transferred to another spot.

Quite a change may be seen as one drives north of the village. The Highways Department has successfully changed the course of the Lobstick River and a complete new approach to the bridge has been constructed.

For 220 million people, Russia produces only 185,000 cars a year, one-third of Canada's output.

St. Anthony's Church Plans for Future

Work is going ahead on the construction of a new rectory at St. Anthony's Church with completion anticipated about the middle of November. Construction of the rectory is the first stage of an entirely new church complex which will eventually replace the present church.

The church complex, which

is located on 50th Avenue, is situated on four lots separated by a lane. The new church and rectory will be located on the West lots and the East lots retained for parking.

The architectural firm of Munzell and Associates were engaged last fall to submit proposals for the new construction before the project was

offered to parishioners early this spring where it was decided to complete the complex in stages.

When completed, considerably larger church facilities will be available in the future and with the completion of the present rectory stage, office space, living quarters for a housekeeper and attached

garage will be made available on the first floor. The second floor will provide living quarters for two clergy.

The completed church complex, shown in architectural sketch accompanying this article, will be of brick exterior for longevity and beauty and will provide the community with a very attractive new addition.

Coin Operated Car Wash Opened Here Thursday

L.B. Motors' new coin-operated car wash opened for business on September 29th, and according to Les Brown, owner of L.B. Motors, about 300 cars and trucks took advantage of the new facility on opening day.

The car wash is housed in a new 3-bay concrete block building adjacent to L.B. Motors garage. The new building includes an equipment room containing machinery to supply hot, soapy water which is processed through a water softener.

A 25¢ coin provides five minutes use for customers, and includes the soapy wash treatment and a rinse.

The equipment was installed at LB Motors by Systa-matic, a Calgary firm now establishing coin-operated equipment across Canada. President of Systa-matic is Mr. Steve Pawlik, a former resident of Drayton Valley where he operated Du All Oil

Tools and Chemicals.

Mr. Pawlik spent several months travelling and researching car wash systems in the United States and Canada before deciding to set up his own company to manufacture and distribute the equipment from Calgary.

Lions Plan C.N.I.B. Canvas

Drayton Valley Lions Club will conduct its annual door-to-door canvas for the Canadian National Institute for the Blind from October 11th to October 22nd.

This will be the third year that the Lions have undertaken the project.

The Lions point out that contributions all go to the CNIB to teach the blind skills required for everyday living and ask your support of the campaign.

D. V. Highlights

BY MRS. EDITH DEBY

Theodore (Ted) Sieben was killed in a car crash near Westlock on October 1st. The Sieben family came to Drayton Valley shortly after oil was discovered. Ted grew up here and leaves many friends to mourn his passing. Our sincere sympathy is extended to his mother, brothers and sisters.

The 4-H Beef Club Awards Night will, no doubt, be dealt with by both the editor of this paper and the publicity convenor of the club. I should like, however, to mention one unique feature of the awards. This was the presentation by the club leader, Mr. Otto Guze, to all club members, a beautiful white satin banner showing the club creed in green lettering.

Born to Mr. and Mrs. Arthur Playford on September 28th a son, David Allen, a brother for Denese Elizabeth. Mrs. Playford, the former Miss Irene Hart, is a native of Australia and has held some very interesting positions as a journalist.

Mr. and Mrs. Bob Hunter have been in Nova Scotia for the past several months. Mrs. Hunter, nee Vallee Urchysyn, telephoned her parents last week to say that they expect to return to home base in Calgary before long. Bob is an engineer and travels extensively for his company.

Every year when the ducks and geese start to move Mr. Dunington buys himself a hunting license and leaves for a holiday with his son and daughter-in-law in Wainwright. This year was no exception and fall chores were done up in record time when the important date came due.

It seems that we are to be cheated out of the excitement of a civic election in Drayton Valley this year. Three vacancies and three nominations means no election. Mr. Thompson and Mr. Krause, the retiring councillors, have given most generously of their time and talents on the behalf of the electors of this town and I'm sure we are all grateful.

Mrs. Percy Hatton and son, Dennis, have been visiting Mrs. Hatton's parents, Mr. and Mrs. Fred Cull, for the past two weeks. The Hattons live at Abbotsford, B.C.

Mr. and Mrs. Freeman Hill entertained in honour of Mr. Ole Grotte previous to his departure for his native Norway. According to my scrap book Ole was born in Trondheim and came to Canada in 1929 filing on his quarter in Pembina the following year. As a parting gift his neighbours gave him a pen and pencil set. Ole was very non-committal about his return but we just won't allow ourselves to believe that this move is permanent.

Mr. Albert Miles who was our police chief for the past nine years, has resigned to open his own business in Grande Prairie. When interviewed on Monday he said that he really likes his new location and says even the weather is an improvement on ours--how could that be?

Mr. and Mrs. Glen Cunn-

ham leave shortly for Fort St. James, B.C. where Mr. Cunningham will be manager of the groceries of the Hudson Bay in that town. During the short time he has been in town Mr. Cunningham has made himself very useful as a football coach and will be greatly

missed in that department.

Mr. and Mrs. Doug Hall welcomed a fine baby girl lately. Mr. Hall is physical education instructor at the Junior High School.

Buck Creek News

Mrs. Gladys Stec,
Correspondent.

I had a brief chat with the district agriculturist recently and during the course of the conversation he informed me that he hopes to organize an cultural session some time in October. Anyone with field crops or garden problems is urged to attend. Watch this paper for place date and time.

Mr. and Mrs. A.J. Sich of Calmar were recent guests at the home of Mr. and Mrs. Ed Gaudet.

Mr. and Mrs. Stan Melin spent a few days holidaying in southern B.C. They visited former neighbors, Mr. and Mrs. Elov Anderson in route.

Get well wishes are extended to Mr. Walter Olson, who spent a few days in hospital recently.

Last month's meeting of the B.C.W.W. ladies club was held at the home of Mrs. Olga Luthi on September 15th. The members in attendance discussed plans for tree planting, at the community hall as a centennial project.

Miss Linda Melin was home over the weekend to visit her parents, Mr. and Mrs. Stan Melin. Linda is employed at the Riviera Motor Hotel in Edmonton.

Mr. and Mrs. Bill Blakeman

and Wendy of Edson were recent guests at the home of Mr. and Mrs. Lloyd Nelson. Mr. Blakeman spent overnight in Drayton Valley hospital as a result of an accident, while helping with the harvest.

The next community club meeting will be held at the community hall on the 5th of October commencing at 8:30 p.m.

Mr. and Mrs. John Seimens of Grand Prairie were visiting relatives in the district recently.

Mr. and Mrs. Bernard Sarnecki and Mr. and Mrs. Ernest Hatt were Sunday visitors at the home of Mr. and Mrs. Walter Stec.

Mr. and Mrs. Adolf Wasser's son-in-law and daughter of Edmonton were district visitors recently.

It's good to see Mr. Fritz Larson home from hospital.

Mr. and Mrs. Gordon Haukedal spent the weekend visiting friends and relatives at Camrose, Slave Lake and various points of North-Eastern Alberta.

Mr. Jules Tucken, a resident of Buck Creek for the past 33 years passed away recently. Funeral services were held at the hall September 27th at 1:00 o'clock. Mr. Tucken was well known to residents of Buck Creek and surrounding area. He will be missed and remembered for a long time to come. Mr. Tucken was an avid hunter in his younger days and a very imaginative hunter in later years.

Nice to see Mr. and Mrs. Frank Hauser back for a visit.

I would like to welcome newcomers to the district, Mr. and Mrs. Barker and family of Alder Flats.

Clothing Club Elects Officers

First regular meeting of the Tomahawk 4-H Clothing Club was held recently and new officers elected. Officers of the club for the next year are Gail Lukanuik, president; Maxine Crory, vice-president; Joyce Jouan, secretary; Donna Jouan, treasurer; and Dorothy Leskie, club reporter.

Other members of the club are Judy Richter, Rita Piscenowicz, Bernice Martin and Karen Wickware. Club leaders are Mrs. O. Jouan and Mrs. D. Domke.

It was decided to meet every third week on Monday at 8:30 p.m. It was also decided to hold a bazaar but the date for this event has not been set.

One guest, Mrs. I. Richter, was present for the meeting.

Moon Lake News

Donna Cherrington,
Correspondent.

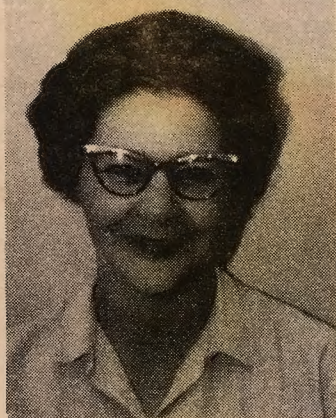

We are sorry to hear that Les Burki is in the hospital. We hope you are better and home very soon Mr. Burki.

We are also sorry to hear that Victor Lang has been ill. We hope you are well soon Mr. Lang.

The young people's club of Moon Lake held their Soc Hop last Friday. All those who attended had a wonderful time.

Out to visit Mr. and Mrs. Milt Jensen were their daughters and their husbands, Marg and Grant Brown and Jackie and Jack Carlson.

Hilltops Defeat Wildcats In Sunday Exhibition

They came, they saw and they conquered. The Tuxedo Hilltops certainly lived up to reports about their capabilities on a football field when they set back the Drayton Valley Wildcats 20-12 at Lions' Community Park last Sunday afternoon. The Hilltops proved to be a well conditioned, well-disciplined, hard hitting and speedy football team who gave no quarter nor asked for any on the field of play. It was hard, fast, clean football from beginning to end as the Wildcats turned in their best effort to date by battling the Calgary team every inch of the way.

The Wildcats got off to a strong start in Sunday's game by recovering their opening kick-off and immediately putting pressure on the visitors deep in their own end.

The Wildcats went ahead

early in the second quarter when Doug Ibbotson sent a short flat pass out to Don Bouschard took off on an electrifying run to pay dirt. The pass and run play covered 72 yards. The convert was not good and the home team led 6-0. The Calgary team came fighting back and evened things up when Ray Hornbacker drove over from four yards out. Randy Regan converted and the visitors led 7-6. The Hilltops scored again before the end of the half on a sweep around the left end. Randy Regan was the ball carrier, the convert was wide and the visitors led the game 13-6 at half time.

Both teams went all out in the third quarter which featured some of the hardest hitting of the afternoon. The Drayton team got on the march late in the period and went down the field with a series of well chosen plays. Finally Danny Bartlett went over for the major score on a sweep around the right end from about eight yards out. The convert was blocked and it was a 13-12 ball game.

The heavy going took its toll on both teams and play slowed down a bit in the final quarter. The Hilltops proved to be the opportunists and took advantage of defensive lapse on the part of the Wildcats to go for the winning touchdown. Roy Hornbacker went around the right end for the major score. The convert was good to close out the scoring at 20-12 in favor of Calgary.

Cameron Ward and Tommy Tucker both played very well on the defense leading tackle after tackle for the Wildcats. Ricky Gabrielson turned in a sound two way performance as did Stefan Hoge and Clarence Platz. Doug Ibbotson called a good game and Bouschard and Bartlett were outstanding all afternoon.

After the game the members of the Calgary team were guests of the Drayton Valley Athletic Association and supper was served to both teams in the Drayton Valley Curling Rink. The supper was prepared by the mothers of the local Bantam football players and was served by the Drayton Valley Cheerleaders.

On the part of our Recreation Board, our Athletic Association and our Bantam Football team we wish to thank each and every person whose generosity made this game and this function possible. We wish to

thank Mr. Billy Rose, Mr. Milt McMahon, the Hudson Bay Company and Coca Cola Ltd. for their generous donations toward the post-game function.

We wish to thank Mrs. Betty Bouschard and Mrs. Jane Ward who were the key persons in the organization and preparation of the meal and all the mothers of football players who donated food and helped out at the Curling Rink Sunday afternoon, as well as our cheer cheerleaders who served the tables during the meal. A sincere thank you to Wilf English who helped prepare the Curling Rink for the function as well as Bob Cowan who was our P.A. man during the game. Also a vote of appreciation to Henry Shimbashi, Bill Disney, Dave Disney, Denis Meier and all the officials who helped make Sunday's game the wonderful spectacle that it was. Last but not least we wish to thank Mr. Shimbashi and the Drayton Valley Curling Club for the use of their facility for the post-game function.

Carnwood News

Mrs. Rose Saunders,
Correspondent.

The Lindale Home and School Association held its annual Scholarship Award Nite on Monday, September 19th and election of officers for the coming term, 1966-67.

Prizes were awarded as follows: Grade 9, 1st prize of \$40 went to Iris Thyre; 2nd prize of \$10 went to Lynn Horsman. Grade 8, There was a tie between Donna Haight and Kathie Hankins, so we understand they both received \$15 each. Congratulations girls on your awards and keep up the good work.

Officers for Home and School this year are: President Mr. Wake; and Secretary - Treasurer, Mrs. Rose Young;

We hear Mrs. Frank Cox and Mrs. M. Wollen tried their luck at Elk's Bingo in Drayton Valley on Wednesday.

Mr. and Mrs. Reynold Jehn and sons were recent visitors at the home of the latter's father and sisters, Mr. Wm. Hankins, Elaine and Kathie.

Mr. and Mrs. Art Breikreitz and family of Lacombe were visiting at the home of Mr. and Mrs. Ted Barnett and family.

Brian Ward is now working on an oil rig near Breton.

Doug Gillespie is visiting with his Aunt and Uncle, Mr. and Mrs. Gordon Gillespie.

Mr. and Mrs. T.A. Smith and Garry of Violet Grove were visiting with Mr. and Mrs. Jim Saunders recently.

Get well wishes go out to Mr. S.M. Jorgensen who underwent surgery on September 26th and is a patient in the University Hospital, Edmonton. Hope you are home real soon.

We would like to send congratulations to Mrs. Barbara Cox of Lodgepole on her lucky sweepstake on Purity Flour. Don't spend it all in one place Barbara.

Mr. and Mrs. Fred Lalonde of Edmonton visited with Mr. and Mrs. Wallace Hanna and family.

Recent city visitors were Mr. and Mrs. Frank Cox, Mrs. Caroline Bogart, Mrs. David VanEmber, Jr.

Junior High Highlites

The Drayton Valley Junior High had Friday noon, September 30th, set aside for the elections for the school's student council.

The results of the election are as follows: President, Bruce Hay; Vice President, Mark Pickup; Secretary, Elaine Litke; Treasurer, Janine LaBranche; Social Convenor, Cindy Sharkey; Reporter, Joyce Rendflesh. Representatives from the classrooms who will attend the executive meetings are: Joan Teeter, Dale Guze, Michael Courtney, Carrel Miller, Kim Rocque, Rom Oscar, Wendy Goss, Betty Hay, Gerard Van Ulden, Gayleen Vig and Brian Henry.

We indeed hope that this school term will be as great a success as the past term.

THANKSGIVING SERVICE AT UNITED CHURCH

Rev. E. Martin, M.N.D., C.D., B.A., new minister of Drayton Valley United Church invites all United Church people to the special Thanksgiving Service on Sunday, October 9th at 11:00 a.m. The sermon will be entitled, "Thank God for the High Cost of Living." This sermon, of course, will not deal with financial costs. Everyone is welcome.

Mr. Martin is being inducted by the South Edmonton Presbytery into the Drayton Valley Pastorate this Friday, October 7th at 8:00 p.m. Everyone is welcome.
